## Do you want to make a difference every day?

If you are looking for a role that will fulfil you and make a difference to others, then we need you.

We are looking for a Teaching Assistant to join our school at an exciting time in our school's development. Our recent OFSTED inspection recognised that our school has "kindness, ... with clear boundaries and expectations" We are very proud of our school.

At our school every day as a Teaching Assistant is different – you would be class based, supporting teachers and children learning in class and sometimes your work will be supporting children one to one who have additional needs. Staff work together as part of a team; playing an important part in making breaktimes successful for children, alongside providing intervention and support for those children who need an extra boost with their learning in the afternoons. This role is working in Key Stage 2 with children aged from 7 to 11.

Children tell us that Teaching Assistants at our school help them every day with their learning; "I get better at my writing and Maths." We know that pupils at our school listen carefully and work hard.

We are looking for someone who can relate well to children and adults, enjoys working as part of a team and has a positive "can do" attitude. We would like the successful applicant to show kindness to those they work with, be patient and understanding. You will need to be flexible and happy to work in a team and show initiative and independence. A sense of humour and the ability to work with others sensitively are both essential.

Please contact Mrs Murrey Headteacher via the School Office if you would like to arrange a visit or discuss the post in further detail.
